Customer Reviews

I do not really use this as a price guide, because let's face it, most of the common Beanies are only worth as little as 3.00. But it is a good color picture guide, and you can use it for knowing what's out there. There were so many 2001 releases, I couldn't keep track of them online. So at least I can go through the book and mark which ones I have, and which ones I want. I want to get all the cats, at least!!

With each page having a space to put your bought price and market value (some filled in) this book makes it easy to organise the value of your collection. It includes Ty Buddies, the Mc Donald's teenie beanie, the beanie kids and of course, beanie babies. Being the most recent, it includes the new zodiac babies. Each page has colourful photos of the toy, the poem in its tag, its release date, retirement date and birthdate. But wait there's more!! Found at the back are sport's promotion beanies, spotting counterfeits, tag generations and a list of beanies by their birthdays. Thank

goodness its got a good index.....

The book was listed as new and you open up the cover page and someone's name was on it and someone had gone through book on wrote on it. I contacted seller and she apologized and refunded my money. I would've loved one that was actually brand new as description stated and not been lied to. I was reading seller's reviews and she sent used ones to others also claiming they were new. I threw the book away.

With each page having a space to put your bought price and market value (some filled in) this book makes it easy to organise the value of your collection. It includes Ty Buddies, the Mc Donald's teenie beanie the beanie kids and of courde, beanie babies. Being the most recent, it includes the new zodiac babies. Each page has colourful photos of the toy, the poem in its tag. its release date, retirement date and birthdate. But wait there's more!! Found at the back are sport's promotion beanies, spotting counterfeits, tag generations and a list of beanies by their birthdays. Thank goodness its got a good index.....

so fun to have this catalogue , its very complete and has pictures
