Customer Reviews

Bitterly disappointed. Two months after receiving this - the linen slip cover is deteriorating, whether as a result of the poor packaging during shipping or the quality of it's finish, certainly not what one would expect for the cost of this product!!!!

Well, It's been done, A book so Great that I gave one as a gift, VERY WELL DONE from the slip

cover to the book it self, I'm going to get my copy from the Store for the "GRAFF EXPERIENCE" and yes I'll spend a about \$30.00 more dollars but It will be worth it, to be able to say "OH yes I've shopped there before is well worth it. The book is Awesome and very well laid out, I never knew that there were SO many famous stones...Great Job GRAFF, I can't wait until I hit the store.....RR

As my late Mother used to say, "There is never enough money for jewelry." If there was ever a slow-page turner, this tome is it. Prepare to covet every page.

Fascinating. Terrific mix of gorgeous photography and interesting text. Beautiful quality book/jacket.
