Northwood Carnival Glass: 1908-1925 Identification & Value Guide

Synopsis

Burns examines in detail the myriad of iridescent patterns, colours, and shapes produced by this giant of early twentieth century glassmaking. Included are almost 200 colour photos, complemented by reprints from early wholesale catalogues.

Customer Reviews

Another great book by Mr Burns! Well written, easy to understand. Wonderful photos. The history is a big plus for me too. Explains a lot in a small package! Another book I wouldn't trade for the world! A must have for the carnival collector to gain an invaluable insight into the specific houses & how they relate to each other.

This book contains some beautiful pictures of this lovely old glassware There's detailed information on each piece pictured. Of course, since the book is not current, the values aren't either, but I like it for the informative value it has.

This book is a good starting point for estimating value and identifying Northwood carnival glass. It will need updating in future volumes but is accurate for the time it came out.

ARRIVED QUICKLY AND SAFELY, ITEM WAS AS STATED IN THE AD, ONLY I THOUGHT IN BETTER CONDITION THAN WAS IN THE AD.
