Have Yourself a Beary Little Christmas (The Boyds Collected Ltd) This delightful little Christmas book with its colorful pictures is a joy to look at and read anytime of the year but especially at Christmas time..whether you are a child or a grandparent. Every page has something on it to make you smile.

We have this book in our Christmas collection for our coffee table. Children and adults alike enjoy it. It is quite secular except for the bears dressed as angels but compliments our other books that

address the real meaning of Christmas. It is a light read and fun to look at.

Great Book.
