# Living Free: Learning To Pray God's Word, Revised (Member Book) (Bible Study)

## Synopsis

Ready to replace false strongholds with true freedom in Christ? As you learn to pray Scripture with Living Free, you will realize the life God desires for you. Author Beth Moore explores the somewhat radical idea that we cannot please God by being perfect. The study begins by defining false strongholds, then focuses on five key benefits for every believer. Living Free includes 6 weeks of group study and 6 weeks of homework in a daily format that can be completed between group sessions.

## Customer Reviews

I really like this study so far! I enjoy how the videos each week are under ten minutes long, leaving more time for group discussion. The five days/week homework is very informative and relevant to the topics. I like that most of the verses are written right there in the book for you to reference to when you need to. Overall a great study to do in a small group or even by yourself.

If you want to do a Beth Moore study on your own, or don't have access to her Bible study kits (with the videos), this is an excellent choice! It's a shorter study (6 weeks), with shorter homework and no videos, but it packs a powerful punch. This would be a great summer Bible study.

This is a great study by Beth Moore. It takes your prayer life to a whole new level in Christ. Love it!

Great book. Also has just a few question in it and a few places to write the answer.

This book was easy to read and apply each day. Practicing the biblical concepts in this book really changed my life.

Excellent faith building study

As always, God delivers through Beth Moore! This is a great sequel to Breaking Free. I haven't yet finished it, but have enjoyed the learning, praying and growing so far!

Awesome study! The homework wasn't overwhelming and I could easily keep up with it. Easy and understandable and something that has made a difference in my life.
