Customer Reviews

Great recipe book for no-churn, no-machine ice cream. The 50 ice cream recipes look really good. This is a no-churn easy method for making delicious ice creams such as 3 Chocolates in 1, Berry & Lemon, Bubble Gum, Carrot Cake, Chocolate Cheesecake, Lemon Ice Cream, Mint Chocolate, Peach, Strawberry, Snickers and White Chocolate ice cream. A great mix of fruity, chocolate, nutty and spicy ice creams. The recipes are great for beginners to expert. Formatting in a couple of places needs alignment but this won't keep me from trying out these recipes. Just what I was looking for--a no-churn how to book. Give it a try!

Not for me. Recipes include uncooked eggs and in some cases, raw flour. Maybe they taste okay but I am not going to waste time finding out.

Ice cream is the most creamy and delicious deserts you could ever try and if you make it fresh it is that much better. Thank you

A real good method of preparing Ice Cream. Author also gives a good history of Ice Cream.
