The Complete Price Guide To Antique Radios: Tabletop Radios, 1933-1959

Synopsis

Machine Age to Jet Age, Vol. 1, America's No.1 vintage radio identification and price guide has been revamped and renamed The Complete Price Guide to Antique Radios. Includes over 1,400 pictures of more than 2,500 vintage tabletop radios. Images have been digitally enhanced, listings expanded & reformatted. Icons now indicate Canadian radios, Ingraham cabinets, World's Fair models and noteworthy industrial designers. Also, newly added are tube and band counts, options, variations and their current values. An exciting reason to purchase this new edition is that we've now added a comprehensive cross-reference of all radios pictured in the 3-volume Tabletop series! This INDEX is comprised of over 9,000 listings sorted by brand. Radios are referenced and cross-referenced by model number and model name. Each listing also includes description of variation_ cabinet material, color, finish, tube count, etc. All radios have revised 2002/3 market values as well as the series volume number noting where in the series each radio is pictured and fully described. You'll wonder what you ever did without it!

Book Information

Paperback: 250 pages

Publisher: Radiomania Publishing; 2001 Updated edition (June 1, 2002)

Language: English

ISBN-10: 0964795302

ISBN-13: 978-0964795303

Product Dimensions: 0.8 x 8.5 x 10.5 inches

Shipping Weight: 1.5 pounds

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Customer Reviews

A good book to identify many radios (though not all are listed). Although it needs an update. Last printing was 2002.

Interesting book for Collectors of Antique Radio's. My only complaint is the Price guide doesn't cover all the Radio's Made during that era.

great reference book
